SUBMITTING ENTRIES

ENTER USING FAIR ENTRY: <http://bcfair.fairentry.com>

EARLY REGISTRATION DEADLINE FRIDAY, August 4th, 2023:

- All entries registered on FairEntry by **Friday, August 4th, 2023** will be given preferential stalling. Any entries after the August 4th deadline will pay a late registration fee and will **not** be guaranteed stalling.
- It is strongly encouraged to pre-register any entries you may bring to the fair.

If you are unfamiliar with FairEntry or do not have access to the internet, please stop by the Fair Office any time Monday through Friday, 8:00 a.m. to 5:00 p.m., or call 605-626-7116 and the staff will gladly assist you!

How to submit an entry (be sure to complete your entry, including the final “Submit” step, prior to the cut-off date.):

1. Go to <http://bcfair.fairentry.com>
2. **(First time)** Click on the link to create a FairEntry Account. **(Returning exhibitors)** If you are logging back in, enter the e-mail & password that you created and click the Sign In link, then skip to step 4. **PLEASE NOTE:** *If you have a 4-H Online account, specific to SD 4-H, you may use that to login to the Brown County Fair's FairEntry.*
3. **(First time)** Follow the steps to Create Account. **IMPORTANT:** *This must be a valid e-mail address, so that you can receive the necessary confirmation messages. Follow the steps to complete account creation, including entering an address as the Brown County Fair will mail premiums after the Fair.*

Each exhibitor can have multiple entries. One entry must be made for each exhibit. For example, if an exhibitor is bringing two poultry, two entries into the poultry class must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in a family (and entries) or proceeding to check-out (submitting the entries, whether or not fees are charged).

4. Click **Add an Entry** beside the correct exhibitor (if more than one has been created).
5. Click **Select** beside the first department you wish to enter. After you select a department, you will see a list of divisions to select from, and then a list of available classes. Also notice that there are blue “Change” links in case you mistakenly select an incorrect department, division, or class. After you have selected the class, click the green **Continue** button.
6. Fill in all of the fields with information about the animals you intend to exhibit. Click **Create and Add** when finished.
7. If the entry information was entered incorrectly, you have the option to either Remove From Entry (creating a new entry) or Edit Details. When it's correct, click **Continue**.
8. Complete any additional entry questions and click **Continue**. The review screen allows you to double check your entry. If correct, click **Continue**.
9. When each entry is complete, you have 3 choices for your next step: You can register another exhibitor, add another entry, or continue to payment. Choose the option that is best for you, and follow the steps to completion.
10. When all entries are registered, continue to the payment screen. Read the instructions carefully. **NOTE:** Even if you owe no money (no fees are charged) you must click **Continue** to the last “Confirm” step to submit your entries.
11. Read the information in the “After you Submit” section. You may also have to check a box to “Agree to Terms”. Click **Submit** to finalize the entries for the exhibitors in this family. After you click **Submit**, no changes are possible to these entries.
12. **PAYMENT MUST BE MADE AT THE COMPLETION OF YOUR ENTRY PROCESS! If payment is not finalized by the August 4th deadline, exhibitor will forfeit stalling and late fees will apply.**
 - **Payment may also be made in a form of a check (to Brown County Treasurer) and mailed to:**
Brown County Fair, 400 24th Ave. NW, Aberdeen, SD 57401
 - **Credit card payments accepted over the phone at 605-626-7116. Processing fees will apply.**

The South Dakota Jr. Point Show was organized to recognize youth who participate in showing beef, sheep, swine and meat goats throughout the State of South Dakota. Exhibitors range in age from 8 to 21 and accumulate points at different sanctioned shows across South Dakota. Points are awarded to exhibitors, not each individual animal, based on placing in each breed class. Awards presentation is during the South Dakota State Fair. - Learn more about your pet: Where is it from originally? What does it eat naturally? What is the best way to care for it?
- Prepare your presentation:
 - Start on this a few weeks before the fair.
 - Practice handling your pet so it's comfortable.
- Have your parents or friends ask you questions about your pet to prepare for answering judge's questions.
- Handle your pet at least 2-3 times per week.
- Clean your pet's enclosure regularly, but make sure to tidy it up before you attend the show.
- Trim toenails or wings if needed.

What to Bring to the Show:

- Your Pet
- Travel cage or its normal enclosure. If you need to bring a travel cage, bring along some pictures of its normal habitat to share with the judge. Note: Facilities, including electricity, will not be provided by the show.
- Food and water to show the judge how you care for your pet
- Toys or other enrichment
- Piece of carpet or towel to set on the show table
- Make sure your animal is comfortable and bring anything that might help keep its stress down.

As Part of the show, you will give a short presentation about your pet.

Here are some ideas about what to include:

- Your name and age
- Pet's name, species, age and coloring
- Where does your pet come from? What are some characteristics of its natural environment?
- Discuss your pet's overall appearance and health
- How you care for your pet
- How often you groom it
- How did you prepare for the show
- Something special about your pet

You are also judged on the appearance of your pet's enclosure and your own personal appearance. Make sure you are neat and tidy!
