The mission of the Brown County Fair is to provide diversified and economical events overseen by volunteers while maintaining the fair's heritage and planning for the future.

"GETTIN' ROWDY IN THE STIX"

NANCY RADKE - FAIR BOARD PRESIDENT

We're Gettin' Rowdy in the Stix in 2026! The Brown County Fair Board and our community partners are excited to bring you a perfect combination of new thrills and your traditional favorites at this year's BCF!

Entertainment galore at your Favorite Free Fair -- opportunities to admire our 4-H kids' hard work, enjoy fabulous food on the Midway, shop the vendor's amazing deals, hear incredible music at the Grandstand and in the tents, and heart-stopping rodeo action. You're not going to want to miss a moment!

Hard work, energy, enthusiasm, and dedication are the words I use to describe the Brown County Fair Board. I've been honored to serve with this amazing group of people for six years. Serving as this year's Board President has been both challenging and rewarding, but I'm incredibly proud of all the improvements our Team has made with the scheduling, entertainment, and fairgrounds. With the passion of this Fair Board to achieve excellence combined with the Fair staff's eagerness to provide the necessary tools to complete any task – I have no doubt that BCF '26 will be the Best Brown County Fair Week yet!

Thank you for making the BCF your summer destination! As you gather with your family and friends to enjoy the week, I encourage you to remember that the Brown County Fair is only possible with the time of volunteers and the donations of sponsors. If you love the BCF as much as I do, please consider giving your time and talents to keep it successful. Thank a volunteer, support the vendors, purchase a ticket, congratulate an exhibitor, and join us in Gettin' Rowdy in the Stix in 2026.

RACHEL KIPPLEY- FAIR & PARKS MANAGER

Fair Board President Nancy Radke describes the essence of the BCF with her theme "Gettin' Rowdy in the Stix in 2026." It sums up EVERY Brown County Fair! The rich tradition of family and friends carving out an annual week to reunite, camp together, get a bit crazy, get a bit muddy, and make memories.

We owe a debt of gratitude to all the volunteers and sponsors who make the Brown County Fair possible. Thank you to this incredible Fair Board, as well as the Friends of the Fair, Legacy Team, Junior Fair Board, and community groups who sacrifice countless personal hours to organize, set up, and run the weeklong festivities. The BCF doesn't happen overnight, and some are surprised to discover that we are already making plans for 2027 and beyond. Thank you to the generous sponsors who make free admission, free parking, and so much incredible entertainment possible.

Soaking up the final rays of sunshine before heading back to the classroom, children roam wild around the BCF in an atmosphere that's exhilarating, educating, and safe. Please check out the new Photo Stations around the fairgrounds which provide a memorable backdrop for a snapshot of your kiddo. But more importantly, the **Keep Kids Safe Campaign**, sponsored by Les Schwab Tires, ensures that if you get separated from your kiddo, you have a recent and easily accessible photo to share with security and staff to get you reunited as quickly as possible.

We hope you'll notice and appreciate the many upgrades that are being made around the Brown County Fairgrounds. See page 8 for details on all these improvements, but a huge **Shout Out to the Brown County Highway Dept. and Commission** for our new roads, drainage, and landscapes.

These projects don't happen by accident. Donations through our 501C3 BCF Foundation give tax benefits to supporters while improving the fairgrounds. In addition, the fairground annexation allows the collection of sales tax earmarked solely for the Fairground Improvement Fund. Additional revenue gained from our new liquor license will further our ability to make much needed upgrades.

Thank you for spending the BCF week with us! Don't miss a moment: compete in a contest, taste a new treat, meet a vendor, admire the livestock, enter an exhibit, volunteer for two hours, and make a memory. See you at the Fair!

FUTURE OF THE FAIRGROUNDS

New Building. New Adventures. New Memories
Brown County 4-H Community Building
For more information, please follow the QRCode

The Brown County Fair Board and staff continue working tirelessly to make improvements, so the community can be proud of their Brown County Fairgrounds. In 2025, you probably noticed the new Mega Construction Small Animal Barn, fresh concrete in the Beef Barn wash racks, Gaga Ball pit, huge shade structure, and more trees planted. Well, why stop there? In 2026, you will notice the newly expanded gravel road system in the primitive campgrounds, upgrades to the grandstand stage, and a new stage on the west side of the Clubhouse. In addition, Crafted Interior donated beautiful picnic tables and Linda Krage donated additional shade structures. Working with the Brown County Commission, Fair Foundation, 4-H Leaders' Association, and countless supporters, we are also actively fundraising for a new 4-H Community Building to house Brown County's flourishing 4-H Program. Within the next 4 years, we hope to replace our aging Grandstand facilities in order to continue the caliber of music, rodeo, and speedway entertainment the region has come to expect. However, this preservation and modernization of the Fairgrounds only happens with wide-spread taxpayer support and community partnerships. Please join our efforts today!

Brown County Fair Foundation

BCFF is a 501c3 tax-exempt organization that is committed to preserving and enhancing the fairgrounds.
