Welcome to the 2023 Brown County Fair "The Place to be in 2023!"

CLINT SOMBKE - FAIR BOARD PRESIDENT

The Brown County Fair Board and I are excited to welcome you to the Place to Be in 2023 — the one and only Brown County Fair! I would like to sincerely thank our amazing Fair Board, Fair Staff, sponsors, and all the volunteers that make the fair possible. The Brown County Fair has grown into the end-of-summer destination for literally hundreds of thousands of people, and it would not happen without the essential sponsors and volunteers.

Monday and Tuesday kick off the weeklong festivities with judging of the 4-H and open class competitive exhibits, as well as two-nights of the action-packed, Dacotah Bank Stampede Rodeo. The animals arrive on the fairgrounds Wednesday, so don't forget to check out the livestock shows to see how hard Brown County's youth have worked on their animals. Also, don't miss out on the endless opportunities for free entertainment around the fairgrounds in the Avera Kid Zone as well as the Kens, Kessler's, and NVC tents. The Fair Board has worked hard on lining up a great variety of musical entertainment in the grandstands Wednesday through Saturday. Come on out, have a great time, and enjoy the fair!

The Place You'll Want to Be in 2023 Don't Miss the Brown County Fair!

Rachel Kippley- Fair & Parks Manager

What's not to love about the Brown County Fair? With non-stop activities for all ages, great shopping and food, easy access, free admission & parking, and friendly folks, BCF is the Place to Be in 2023. Generations of faithful fair supporters have grown the BCF into the premier end-of-summer event for the entire region. I hope you decide to check out this year's Fair early and often.

The Place to be for great family entertainment. Whether swaying to the amazing grandstand artists, enjoying the talented tent acts, watching the non-stop Kids Zone, carnival, and rodeo action, or savoring the tastes of the Midway, Brown County Fair Week provides enjoyment for every member of your family. I'd like to welcome our dynamite grandstand lineup, as well as our nationally renowned tent entertainers. Our amazing Fair Board seems to bring bigger and better names every year, so "Kudos" to them! \$2 Tuesday returns for you to taste all the delectable samplings our concessionaires offer. Our awesome vendors will also open earlier on Tuesday, so you can shop while you snack. Our Kids Zone is jam packed with activities including face painting, Dig for Dough, train rides, inflatables, pallet maze, Farm-ily Feud and Survivor games shows, racing ducks, two movie nights, and so much more. I encourage you to enjoy the final week of summer and make the time to gather with family and friends before sending your kiddos back to school. You won't regret it!

The Place to be for exceptional projects and rigorous competitions. Rooted in a deep tradition of agricultural excellence, Brown County 4-H and open class exhibitors excitedly anticipate Fair Week. The culmination of months of time, hard work, and dedication, they seize the opportunity to showcase their static exhibits and livestock. Our youth and their achievement days is truly the highlight of Fair Week, and I hope the changes to the livestock scheduling will accommodate personal calendars, allowing even more exhibitors to participate.

And who doesn't love competition? Whether its Minute to Win It, Legos, Puzzles, Tractor & Pedal Pulls, Racing Vegetables, Ducks, or biking, running, or walking the 5K; there are opportunities galore to get active and join in the fun contests weeklong!

The Place to be for devoted volunteers and giving back to the community. The BCF finds rarity in the fact that it offers free admission and free parking. It is only through the generosity of community groups, friends of the fair, businesses, and our fair board that we can maintain complimentary gate admission. Each year, securing essential volunteers gets tougher. To ensure the BCF's future success, please give both your patience and appreciation to those who are donating time at the Fair, and perhaps consider donating some time yourself. For those that do, the rewards far outweigh any costs.

Located in our Kids Zone, you will notice a beautiful, new playground. Erected by the newly formed 501c3 Brown County Fair Foundation and their generous donors, this project is the first new structure the Fairgrounds has seen in quite some time. I'm so thankful and excited for this partnership! I will continue working with the Foundation, Fair Board, Commission, and our community partners to make overdue improvements to the Brown County Fairgrounds so that generations of future fairgoers can also enjoy the traditions we value so much.

With a jam-packed schedule, mark your calendar now to attend the BCF! It's surely the Place to Be in 2023 and we hope to see you there!

The mission of the Brown County Fair is to provide diversified and economical events overseen by volunteers while maintaining the fair's heritage and planning for the future.

A jigsaw puzzle competition consists of teams that compete against one another to complete a puzzle in under 2 hours. Whoever completes the puzzle first, wins!

- Each team receives the same puzzle
- No one gets to see the puzzle until the timer begins- the puzzle boxes are placed face down before the competition starts
- Teams try to put the puzzle together the fastest
- The competition will be 2 hours long; if there is no declared winner by the end of the time limit, the winner is chosen by their remaining number of loose pieces
- In the event of a tie, teams can be given an additional five minutes to work on the puzzle
- There are no devices or outside assistance permitted while working on a puzzle
- Two moderators help with the event along with 4-6 timers that will be walking around the contest floor watching the teams for timing reasons.
